NARRATIVE

On 10/21/2013 at about 1757 hours (all times approximate) I was radio dispatched to a non-blocking/non-injury 2 vehicle collision on southbound SR 9 just north of Soper Hill Road in the city of Lake Stevens. It was reported that a female driver on scene was being verbal with the other driver. Arriving on scene I spoke with both drivers involved in the collision. It was reported that the collision had occurred at the intersection of SR 9 and Soper Hill Road in the city of Lake Stevens. Based on evidence and statements (verbal and written) at the scene of the collision, it is found that U1 (a ford Explorer) had turned onto southbound SR 9 from eastbound Soper Hill Road while facing a red light. It is fully posted with two traffic control devices that there is no right turn from eastbound Soper Hill Road onto southbound SR 9 while facing a red light. U1 failed to obey the traffic control devices and failed to yield the right of way to approaching U2 which was traveling southbound on SR 9 (a posted 55 mph speed zone). The driver of U2 claimed he was facing a green light (indicating westbound Soper Hill traffic at SR 9 was facing a red light). U2 was unable to stop in time when U1 pulled in front of U2 southbound on SR 9 which resulted in U2 rear ending the back of U1. There were no claimed injuries at the time of the collision. The driver of U1 was found to a suspended/revoked driver's status in the second degree and no vehicle insurance as required by state law. The driver of U1 was cited for DWLSR 2, no vehicle insurance and disobeying a traffic control device.

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. (RCW 9A.72.085)

ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION DWLSR 2/VEH COLLISION	INCIDENT NUMBER 13-02638
NAME OF VICTIM(S) BOZE		

NARRATIVE:

On the date and time of this incident I was wearing a full Lake Stevens Police Department issued duty uniform which includes shoulder department patches and a chest badge which clearly identified me as a law enforcement officer. On the date and time of this incident I was operating a marked Lake Stevens Police Department patrol vehicle equipped with emergency overhead lights and audible siren. On the date and time of this incident I had legal authority to arrest. I have been a city of Lake Stevens Police Department Police Officer for over 13 years.

On 10/21/2013 at about 1757 hours (all times approximate) I was radio dispatched to a non-blocking/non-injury collision with a disturbance on southbound SR 9 NE just north of Lundeen Parkway (about the 2300 block) in the city of Lake Stevens. Derek Boze called 911 to report the collision and included a female was being verbal with him.

At about 1804 hours I arrived on scene. I observed a silver in color Ford Thunderbird (license #AAL0564) and a white in color Ford Explorer (license #096XDW) parked on the outside southbound shoulder of SR 9 NE. Officer Hingtgen also arrived on scene with me. I contacted the male driver of the Thunderbird while Officer Hingtgen spoke with the female driver of the Explorer.

The male driver of the Thunderbird claimed he had been traveling southbound on SR 9 NE and was approaching the intersection of Soper Hill Road while facing a green light when the Explorer pulled out in front of him (making a right turn) from eastbound Soper Hill Road onto southbound SR 9 NE. The driver of the Thunderbird claimed he was doing the speed limit; posted 55mph. The driver of the Thunderbird claimed he attempted to stop and could not avoid hitting the back of the Explorer. The driver of the Thunderbird also claimed he thought the driver of the Explorer was not going to initially stop because he had to follow the Explorer from about the 2700 block of SR 9 to this location (about the 2300 block of SR 9). It should be noted when southbound SR 9 traffic is facing a green light that eastbound Soper Hill Road is facing a red light. It is posted on eastbound Soper Hill Road, at SR 9 with two traffic control devices, that no right turn is permitted onto southbound SR 9 while facing a red light.

Officer Hingtgen handed me the identification card of the female driving the Explorer and told me her driver's license is suspended. Officer Hingtgen also stated she could not find the vehicle registration and that she does not have current vehicle insurance. Officer Hingtgen stated that female driver of the Explorer was claiming the driver of the Thunderbird had been speeding.

The driver of the Thunderbird was identified to be Derek J. Boze DOB 1993 and the female driver of the Explorer was identified by a Washington State Identification card to be Laurel E. Yang DOB 1986. I ran Yang over the mobile data computer (MDC) in my patrol car and found her driver's status to be suspended/revoked in the second degree as of 05/26/2013 for 2ND SUB-REF TST.

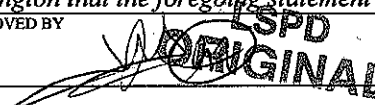

Based on the evidence and statements at the scene it is found Yang is the at fault driver in this collision and that she had failed to obey the traffic control devices at the intersection and/or yield the right of way to oncoming traffic.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION DWLSR 2/VEH COLLISION	INCIDENT NUMBER 13-02638
NAME OF VICTIM(S) BOZE		

When I told Yang about the traffic control devices, Yang claimed she had not seen the traffic control devices.

I cited Yang for operating a motor vehicle while her driver's status is suspended/revoked in the second degree, disobeying traffic control devices and no vehicle insurance.

I explained the citation to Yang, informing her of her mandatory court appearance at Marysville Municipal Court on 10/29/2013 at 0830 hours and that failing to appear on the court date may result in a warrant being issued for her arrest. I explained the traffic infraction to Yang. I gave Yang a copy of the exchange of information for the collision along with her copy of the citation and infraction. Yang was released from the scene and not allowed to continue driving a motor vehicle.

Yang claimed she had purchased this vehicle a few weeks, though she could not provide a bill of sale and there was not a report of sale listed on the vehicle. When I asked Yang for the registered owner's phone number, Yang claimed she had lost it. Yang stated she was going to wait for her boyfriend to arrive at the scene.

It should be noted that Boze's vehicle would not start so he could leave, so he called someone to come assist him at the scene. I remained on the scene providing limited traffic control while waiting for Boze's roadside assistance and Yang's boyfriend.

At about 1904 hours I had to clear the scene for a priority theft nearby in the city of Lake Stevens. I dropped three road flares on the southbound shoulder of SR 9 and cleared the incident.

END OF REPORT.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.
